R/: Issue Fees Payment and Submittal of Formal Drawings.

Serial Number: 06/718,866

Date of Filing: 04/02/85

Name of Applicant: Tan, Peng

Batch Number: A25

Title of Invention: Liquid Crystal Hot Spot Detection With  
Infinitesimal Temperature Control

Dear Sir:

As per the PTO instruction, I am enclosing the following items:

1. A personal check (from Peng Tan) of \$295. This check shall serve to pay the \$280 issue fee required by the Office of Publications, and to pay the \$15 fee for placing advance order to buy 10 printed copies the prospective patent.
2. Three sets of the re-drawn formal drawings of Figure 1 and Figure 2. The drawings are drawn by a draftman who works for the Patent Department of the Hewlett-Packard Company. He has drawn a few hundreds of formal figures for patent applications, all figures have been accepted by the PTO. Therefore I hope that the re-drawn figures will meet the PTO's requirement of "formal drawings".
3. A completed Form PTOL-85b.

I am looking forward to receive the formal issue of patent. I thank you all for the time and effort in processing my application.

Sincerely yours,

*Peng Tan*
